

THE COLOR OF FAME GETS RECORDS (stats compiled 01/2009)

Foaled in 1993, The Color Of Fame is a 17.1 hand, registered Pinto American Saddlebred stallion. A leading overall sire of Half-Arabian halter winners in North America for almost a decade, The Color Of Fame's roster of national winners becomes more impressive with each passing year.

Sired by Colour Me Hot (Hot August Nite x Stormy April Sky) out of Baroness Reverie (Commander's Cadence x Longacre's Baroness) "Color" initially became the leading sire of Half-Arabian national winners with just a handful of foal crops on the ground.

Before he was six, The Color Of Fame daughters in particular were making his name known at the national level. In 1999, PKH Pure Elegance (x PL Darque Satin) got the crowd's attention as U.S. Reserve National Champion HA Yearling Sweepstakes Filly. A year earlier another yearling filly, The Heiress To Fame (x DR Fostoria Doll), won the Ohio Buckeye HA Mare Halter Championship and launched into a winning streak that took her undefeated through duel Canadian National Championships in 2000 and back-to-back U.S. National Championships in 2000 and 2001. At the 2004 U.S. National Show, Fames Serenade (x Sunhi Ddancer) stirred up the Arabian show world and took Louisville by storm, winning three major National Championships in a row, in HA Halter Mares Stock/Hunter Open and Amateur, as well as the HA Futurity Fillies. To add weight to the glory, the Reserve titles in all three classes also went to daughters of The Color of Fame, with DR Gilty Pleasures (x Alovallie) taking the Reserve in HA Mare Halter Stock/Hunter Amateur and the Futurity Fillies, and The Heiress To Fame (x DR Fostoria Doll) going Reserve in the HA Halter Mare Stock/Hunter Open.

The Color Of Fame was the leading non-Arabian sire of champions at the 2007 U.S. National Championships and at the 2008 Scottsdale Show he had a number of children bringing home the blues. Imagine Fame (x Sunhi Ddancer), a full sister to multi-national champion Fames Serenade, won the HA Stock/Hunter Three-Year-Old Filly, Open and Amateur/Owner, and was Champion HA Stock/Hunter Mare AAOTH. Aaragon BPA (x Sunhi Ddancer), a full brother to the two sisters, was Reserve Champion in the HA Stock/Hunter Two-Year-Old Gelding class. Additionally, sons and daughters of The Color Of Fame were 2008 Scottsdale Top Tens in Half-Arabian Halter and Hunter Pleasure (Open, Amateur, Junior To Ride and Junior Horse).

While leading sires Magnum Psyche and Afire Bey V have each sired well over 1,000 foals, The Color of Fame has fewer than 300 get. In spite of his relative lack of numbers, and much less promotion, he has managed to sire an extraordinary group of champions and national winners and literally change the look of Half-Arabian halter horses in the Arabian show ring over the last ten years. The Color Of Fame's relatively few registered Half-Arabian offspring have kept the demand for his get high and made his national winning percentages simply outstanding.

Through 2008, The Color Of Fame is the sire of 77 national winners in Halter, Western Pleasure, Hunter Pleasure, Native Costume, Country English Pleasure and Dressage. He has produced 52 National and Reserve National Champion offspring. Between them they have accumulated a total of 227 national awards. Over 90% of his registered AHA Sweepstakes competitive get are champions or reserve champions in halter and/or performance, a remarkable percentage for any stallion of any breed.

That The Color Of Fame has grown in popularity among show horse breeders over the last decade is only natural. At the annual Iowa Gold Star Futurity in September his breeding's compete strongly with those of the purebred Arabian stallions. He was the ninth highest bid over all. He has always been the most important non-Arabian stallion in the live auction at that show because he has been the only one commanding service fee bidding at the highest levels.

Finally, The Color Of Fame's champions have crossed numerous borders, often closed to other stallions. He is the sire of halter winners that consistently go on to compete well in performance, particularly in Western and Hunter Pleasure where their extreme size, trainability, wonderful quality and beautiful markings make them stand-outs in the show ring. As would be expected of this great sire, he also has numerous champions in both the Pinto, NSH and American Saddlebred show rings.
